HS Connection Staff

Over 150 pets in need of loving homes were adopted at the 2-day Homeward Bound Mega Pet Adoption Event held in Yucaipa May 16 and 17. Animal rescue groups from throughout the county had dogs and cats of all ages, sizes and breeds available at the event. Low cost vaccinations and micro chipping were also offered.

San Bernardino County's Animal Care and Control, the Humane Society of San Bernardino Valley and Yucaipa Animal Replacement Society hosted the event, now in its fourth year.

"The Homeward Bound Mega Pet Adoption Event assists in meeting the health and social service needs of the County's population and supports the Countywide Vision where all sectors work collaboratively to reach shared goals," said Brian Cronin, Chief Animal Care and Control. "By building new and expanding existing partnerships among public agencies, businesses, and non-profit and faith based organizations."
