

Alert!

The CalWORKs Earned Income Disregard (EID) is increasing from \$112 to \$225 effective 10/1/2013.

This could mean an increase in CalWORKs benefits if your Assistance Unit (AU) has earned income.

A new notice, TEMP 2252, will be sent to all CalWORKs recipient AUs informing them of the change to the EID beginning 8/19/2013.
