

2009 Support Our Troops *And Their Families*

The Board of Supervisors unanimously approved the 2009 Support Our Troops project at their September 22nd board meeting.

Past years' Troop Support collection drives have brought out the wonderful giving nature of our county residents with the donation of thousands of comfort and hygiene items in 2007 and toys, gifts and gift cards in 2008. For some of the families receiving last year's gifts, it was their only holiday cheer and many families expressed their heartfelt gratitude for the Support Our Troops drive.

Once again this year we will be collecting toys, gifts and gift cards to help our troops' families here at home have a happier holiday season. To make a donation, please visit one of the Collection Box locations. Or, for more information, please call San Bernardino County Veterans Affairs Department at (909) 387-5516.

[Check here for a list of Collection Box locations.](#)

**To help our troops' families
have a happier holiday season,
please consider a donation of:**

**Gift cards from
department stores,
gas stations, grocery
stores or toy stores**

**Kids' toys, games,
books, small
electronics, etc.**

Pre-paid phone cards
