

Dear Taxpayer:

As your elected member of the State Board of Equalization, I am pleased to announce the opening of a new Taxpayer Service Center located in Rancho Cucamonga at 10760 4th Street, Suite 200.

District Administrator Rick Corp and his staff of friendly and professional tax experts share my goal of providing you with excellent customer service and useful resources so your business can prosper, even in California's challenging tax and regulatory climate. We understand your business is critical to the economic vitality of the inland region and our state.

Our new Rancho Cucamonga Taxpayer Service Center offers helpful workshops that cover basic sales and use tax issues and tax return preparation. Additionally, we plan to host full-day tax seminars for both small business owners and nonprofit organizations. You can find more information or register for an event [online](#) or by calling 909-257-2900.

If you are planning a business event or conference and need a speaker or tax expert, we are happy to assist. Please contact our Community Liaison Jennifer Racadio via [email](#) or by calling 909-493-8183.

We also offer free [tax consultations](#) to new businesses, providing information and answering questions on business operations, recordkeeping, sales and use tax issues, and other tax matters. To request a consultation, please [email](#) me or call my office at 661-723-8469 or 916-445-2181.

I hope you will make use of the knowledgeable staff and valuable resources available at our new Rancho Cucamonga office. I also encourage you to visit my website at boe.ca.gov/Runner to find more taxpayer resources or to request [assistance](#) at any time.

Sincerely,

GEORGE RUNNER
